**MOTION FOR EXTENSION OF TIME**

---

NOW COMES Relator, by and through the undersigned counsel, and hereby requests an extension of fourteen days (14) days to oppose Defendants' Motion for an Award of Attorneys' Fees and Costs ("Motion") [Doc #78], which was filed on July 16, 2014.

This motion seeks an award of attorney fees for work performed by several attorneys and firms over a period of time since 2010. The motion provides a summary of time without the detail of hours worked, work performed, attorney time records, and the like. When the undersigned was retained as counsel he contacted opposing counsel asking for that information. Opposing counsel stated it would be provided, but at this point it has not yet been submitted. To draft a proper response to the pending motion for approximately \$400,000 in sanction costs and fees those materials need to be reviewed and verified. It is for this reason that Relator requests the additional fourteen (14) day extension.

Accordingly, Relator respectfully requests that this Court extend the time for his response to the Motion, which is currently due September 5, 2014, up to and including September 19, 2014.

Respectfully submitted,

/s/ Patrick J. Perotti
